Forecast for Saturday 26 Sep 2020

Weather: Cold but clear start to Saturday morning with a grass frost likely in some sheltered spots. Skies will be largely clear through the morning, with plenty of sunshine and excellent visibilities. Very small risk of a shower, mainly towards the west through the morning. A little more cloud at times through the afternoon, but with further sunny spells.

Chance of cloud free mountain/hill tops above 600m: 80-90% for much of the day.

Visibility: Excellent most of the time, with very good views of hills 40km or more away.

Meteorologist's View

Low temperatures (particularly through the morning) combined with brisk winds will make it feel sub-zero across the summits.
